

Best Sushi Restaurant: Katsuya

Katsuya

Katsuya

Multiple area locations

www.sbe.com/katsuya

Pairing the prodigious talents of master chef Katsuya Uechi and Parisian design impresario Philippe Starck (famed for everything from interior design to Fossil watches), Katsuya serves artfully Americanized takes on sushi and Asian-fusion cuisine in endearingly uncluttered bento box-inspired surroundings. It's the absolute epitome of ultra-hip L.A. dining. Also known as Katsu-Ya at Encino and Studio City locations.
